AFTER-ACTION REPORT

NAME / TITLE OF INCIDENT	Typhoon Tino Response
TYPE OF INCIDENT	Typhoon
DATE & TIME OF INCIDENT	September 25, 2026 (2:30 AM)
LOCATION (SITIO / PUROK)	Sitio Turangot - Barangay III, Pio Duran, Albay
SUMMARY OF THE INCIDENT	Typhoon Tino brought heavy rains. 42 families from coastal puroks were pre-emptively evacuated to the barangay hall and covered court. No casualties reported.
ACTIONS TAKEN	- Conducted pre-emptive evacuation of 42 families - Opened and managed the barangay evacuation center - Distributed 120 relief packs with DSWD - Cleared debris along the provincial road with the MPDC
RESOURCES USED / DEPLOYED	- Barangay rescue truck, 6 BDRRMO volunteers, 2 chainsaws, 120 relief packs, QRF amounting to 15,000
OBSERVATIONS/ LESSONS LEARNED	- Pre-emptive evacuation worked well. Early warning via SMS blast reached only 60% of households - radio relay for far puroks is needed.
Prepared by:	Noted by:
ISSUES / CONCERNS ENCOUNTERED	- Evacuation center lacked potable water on day 1.
RECOMMENDATIONS	- <u>Procure water containers. Coordinate with LWUA for water tanker support during activation.</u>
Danilo V. Taboclaon Barangay DRRM Coordinator	HON. Virgilio K. Querubin Punong Barangay
